

OYC awarded Confident Kids \$500.00 to support 17 children from the ages of 5-12 from families dealing with stresses such as divorce, substance abuse and family losses or addictions.

As most of these children have never been to the mountains, the program took them on a retreat to the Mountaineers Stevens Pass Lodge for a weekend. Activities included hiking, sledding, as well as learning about trees and mountain critters.

Sponsored by Bobbie Chapman.
