

## CultureSeed 2016

In 2016, Outdoor Youth Connections gave a gift of \$2,500 to CultureSeed to provide a meaningful outdoor experience to Washington youth.

CultureSeed is a Washington based non-profit that produces experiential Learning Programs and Cultural Events that benefit, influence and engage the local communities.

With our gift, CultureSeed was able to take ten kids, ranging in age from 6 to 13 years old, to the Atlan Center.

The Atlan Center is a 151 acre living and learning center located north of White Salmon, overlooking the scenic Columbia River Gorge. The children were guided through a rich and varied curriculum including team building, organic gardening instruction, map reading, and nature awareness.

A student said, *"I know who planted the forest.... MOTHER NATURE!"*

OYC is grateful for the opportunity to provide this fun, educational and adventurous day outdoors for the staff and kids at CultureSeed.
